

## Learn My Way, do more online!

---

“Computers and the internet can open up whole new worlds!”.

There are so many things you can do on the internet. It could make everyday tasks a lot easier, save you time and money and allow you to do more of the things you like to doing best.

It can help you get in touch with people wherever they are in the world at the click of a button.

You can find information on all that interests you from fishing to football, from arts and crafts to cake baking.

Millions of people use the internet every day as it helps make their life easier, and you could join them!

## Help and Support

---

Looking for work, staying healthy, managing money and keeping in touch with loved ones are all quicker and easier using the internet.

But if you don't have digital skills, it can be pretty scary getting started.

### We're here to help.

Whether you've never touched a computer before and want to get started with the basics, or can do a little but want to know more, we're here to help you.

Our friendly volunteers are on hand to help you with whatever you want to learn about, from using a mouse for the first time to finding jobs online or keeping in touch with family and friends.

We will give you a helping hand so you are confident doing whatever you want to do online.
