WELCOME

We're pleased to introduce Megan, who has joined us as an Administration Assistant here at Brunswick Hub.

Megan is also currently working towards a degree at University. She is excited to learn more about the local community and be part of what we do here at the Hub.

A warm welcome to the Hub team Megan!

Sydni Veg bag scheme

Did you know that you can get a bag packed with fruit and veg for £5?!

The Sydni Centre's co-op scheme is open to everyone and can be ordered & collected directly from Sydni or from us here at the Hub. Just bring your money and a named bag for life to the Hub before midday on a Tuesday and the bag will be ready for you to collect on Thursday afternoon.

Small bags for £3.50 & a box of eggs(6) for £1 are also available.

Call 01926 422123 for more info.

Enterprise Employment services

We are continuing to provide help and support here at Brunswick Hub for those looking for work—We have supported 32 people into paid employment since the start of April.

Our Employment club runs Tuesday-Thursday, 10-11.30am and offers free access to computers, internet and printing, as well as support on hand if you need it from our Work Relationship Officer, Rachel.

Due to current guidelines, this is not a drop-in service and spaces need to be pre-booked with Rachel.

Digital Gateway to Work Course

Over recent years, many companies have taken the opportunity to advertise, recruit and interview prospective employees online.

Those looking for work need to know how to find a job, apply online and possibly conduct themselves in an online

interview using Zoom, Teams or Skype.

If this is something you are unfamiliar or not so confident with, then this course may be something that can help.

Develop your skills.....

Why not join us to develop or improve your online job search skills, your CV and cover letter and prepare yourself for an online interview.

What experience do I need and how much does it cost?

No experience needed and the course is free!

How will I learn?

Demonstration, discussion and having a go!

Interested?

Waste no time....contact Rachel Cefai on 01926 422123 or rachelcefai@brunswickhlc.org.uk

We also offer one-to-one appointments, providing assistance with the following:

- > Creating/updating CVs
- > Job applications and covering letters
- > Online jobsearch skills
- > Interview skills
- > Advice on benefits
- > Signposting to courses & training, volunteering and work experience opportunities.

The Digital Gateway to Work course (see left) begins this month and is 4 weekly sessions on a Wednesday morning.

For any more info on our Employment services, call Rachel on 01926 422123.

Hearing Aid Batteries

We are still able to issue batteries to those who have an NHS Hearing Aid- Just pop in during our opening hours with your NHS card or book. If you haven't visited us before (or at least not since we reopened last August) then we may need you to register for the service with us.

Room Hire at the Hub

We have some availability for Room Hire if anyone is looking for a venue! Currently the 3 rooms available are:

The Community Hall: This will be used for small group bookings ensuring that social distancing can safely be maintained. There will be a maximum group number of 16 people seated. Seating can be arranged as required and tables can also be provided.

The Training Room: Available for up to 4 people

The Enterprise Room: This will be available for over 4 people and up to 8 people, this is to allow for the correct social distancing.

The above is all according to current Government guidelines with limits which we have to adhere to, therefore may change at any time.

However, all being well, when they get lifted it will be business as usual!

If you need to hire a room for one to one counselling, training courses, art and craft groups or for fitness, please contact Helen Sheard on 01926422123 or email helensheard@brunswickhlc.org.uk

Brunswick Hub has computers open for free public use. To book an hour slot on a PC, just give us a call!

Printing & photocopying is also available from 10p per A4 side.
